

RECYCLING MARKET DEVELOPMENT IN ILLINOIS

James Jennings

Manager, Illinois EPA Waste Reduction and
Compliance Section

CHANGES IN THE ILLINOIS EXECUTIVE LANDSCAPE

- July 2014- General Assembly passes the Grant Accountability and Transparency Act (“GATA”)
- December 2014- all grants issued by the State of Illinois must be GATA compliant
- March 2017- Executive Order 2017-3 shifts the State of Illinois’s recycling grant functions from the Dept. of Commerce and Economic Opportunity to the Illinois EPA

ILLINOIS EPA RESPONSE

- Materials Management program staffing
 - GATA compliance training and implementation
 - Holistic overview of existing recycling grant structures in other jurisdictions
 - Development of potential application processes and selection criteria for market development grants
