

Overview of NRC Markets Council workshops:

June 11 in Albuquerque, New Mexico

- Held weekly Conference calls with workshops team to discuss agenda, speakers, promotion, fundraising and revenue sharing.

August 26 – 28 New Orleans, Louisiana pre-conference being discussed in conjunction with Resource Recycling conference

Texas – October 7-9 in El Paso. October 7 Markets Workshop – all day workshop. STAR reception afterward

November 4 in Cooperstown, NY Dave followed up with NYSAR to see if they want to do anything in 2020. Barb mentioned that the NY Federation conference 2020 might be another good one to partner with.

California –early Jan 2020 mentioned. Dave checking on free location with SoCalGas training facility in Downey, CA

Fundraising major focus for NRC market workshops.

- Many of those contacted already have allocated their financial commitments for the year.
 - Target, Republic Services others being contacted
 - Nina to contact American Chemistry Council re: their commitment
 - Strategic Materials and KW Plastics
 - Board members- can they give?
- We need all hands on deck for fundraising assistance for these workshops.
