

MARKET DEVELOPMENT WORKSHOP

At the 21st Annual Texas Recycling Summit

RECYCLING MARKETS DEVELOPMENT
IN THE 21ST CENTURY

FORGING AHEAD

Register now to spend a day with the NRC and STAR recycling professionals on October 7, 2019 in San Antonio, TX discussing what recycling market development means, what the plans are in TX to make recycling market development work, how it's done from curbside to MRF to market, and ending with an interactive discussion focusing on best practices. You can also register for the Texas Recycling Summit on October 8-9 and continue the conversation during the rest of the event. [Learn more...](#)
