

VIRTUAL

NATIONAL RECYCLING CONGRESS

DECEMBER 5&6, 2023

**Together, We Are
Recycling**

**Sponsorship
Packet**

The **Virtual National Recycling Congress** returns **December 5-6, 2023** in to bring together recycling officials and industry leaders across North America for two full days of education, best practices, and networking.

Sponsor the event and reach your target audiences. The congress attracts:

- National, regional, and local officials and policymakers
- Sustainability industry representatives and program managers

The Congress is virtual in 2023, making national programming and networking opportunities available to an unlimited audience. Consider your sponsorship today! Because **Together, We Are Recycling**.
